Designed with mobility in mind

## The new face of style

Now looking good comes standard with superb performance. The new Compaq Presario V3300 series Notebook PC sports a stylish chassis design with a scratch-resistant glossy coat. Just flip the latch free screen and glide it into position. Then power it up and let Intel® Core™ 2 Duo technology and Windows Vista™ operating system transform the way you work and play. Designed to thrive in a multi-tasking world, it also delivers excellent wireless networking capabilities on the move. And with 14.1-inch widescreen display, built-in Altec Lansing speakers, and Compaq DVDPlay, you have at a press of a button, a compelling mobile entertainment experience too. Wait no more, experience more now!

Compaq recommends Windows Vista™ Home Premium

### New design for a new generation

The Compaq Presario V3300 series Notebook PC is at the forefront of HP's new design initiative. It enriches your computing experience with improved aesthetics and usability. The unified colour scheme, sleek clean lines and uncluttered visage set a confident and stylish tone. While the integration of one-touch buttons and excellent performance deliver a superior mobile experience.

### New scratch resistant coating

Thanks to a new moulding technique, there's no paint to scratch with this Presario. Instead you get a hard, glossy coat that protects the printed brushed metal design. This new inlaid moulding process keeps your notebook looking new for longer.

### Latch free screen

One simple arm movement is all you need to lift and place the screen into position. Nothing to unlatch or press, it simply is the quickest and smoothest way to start working on your Presario.

## Unlimited performance

**Dual omni-directional microphones**  
Get your message across in the clearest possible way with two omni-directional microphones. They offer outstanding recording clarity for VoIP applications, letting you communicate comfortably without raising your voice.

**Invigorating graphics performance**  
Intel Graphics Media Accelerator 950 (up to 224MB Total Available Graphics Memory), delivers realistic effects and great multimedia functionality for an rich gaming and multimedia experience. Coupled with Pure Video processor, your DVD movies can be enjoyed without annoying visual artifacts.

**Compaq DVDPlay**  
Watch DVD movies at a touch of a button in Windows and control it with remote control.

**5-in-1 memory card reader**  
There's no stopping you when it comes to sharing a photo. Whether your images are stored on Memory Stick®, Memory Stick Pro®, Secure Digital™/MultiMediaCard™ or xD-Picture™.

**NEW with Windows Vista™!**

**14.1-inch widescreen entertainment**  
The bright and crisp screen with BrightView technology, delivers outstanding viewing pleasure for both work and entertainment. With a screen resolution of WXGA (1280 x 800), it's easy to keep multiple documents in view or enjoy the latest DVD titles in their full splendour.

**SuperMulti 8X DVD±RW, Double Layer Support with LightScribe technology**  
Here's a DVD drive that even labels your disc for you! LightScribe Direct Disc Labeling technology burns labels directly onto your CDs and DVDs. Simply insert a LightScribe compatible CD or DVD and a silkscreen quality disc label is easily laser-etched onto the disc.

**The convenience of Bluetooth**  
Backup your PDA. Use your phone's high-speed data connection. Connect an external mouse or keyboard. With the Presario's Bluetooth connectivity, it's all so simple, wireless and fast.

## Do more with Intel® Centrino® Duo Mobile Technology

**Intel® Core™ 2 Duo processor**  
Experience the most responsive computing experience yet. This new processor sports an enhanced 64-bit data channeling structure and with two execution cores. Run demanding business programs – while downloading content from the Internet or running virus-scanning security programs in the background. Intel® Core™ 2 Duo now does it faster, smoother and more efficiently, while providing compatibility with 64-bit enabled applications.

**Windows Vista™ Operating System**  
Cool interfaces that help you streamline and organize your digital media for quick and easy access.

**Fast wireless performance**  
Choice of 802.11a/b/g WLAN or 802.11b/g with/without Bluetooth option offers outstanding wireless networking performance. Also supports flexible roaming between different access points.

### Control your media with style

The backlit capacitive buttons deliver one-touch DVD playback. Just touch to mute or slide across the volume pad to adjust sound level.

### Listen in style – Altec Lansing speakers

Engineered to deliver crystal clear high notes as well as wholesome, rich bass tones, the integrated Altec Lansing speakers are an audio experience not to be missed.

### Expansion base

The HP xb3000 notebook expansion base offers a comfortable home computing solution with its height-adjustable, eye-level viewing position, more productivity ports, support for wireless keyboard and mouse, as well as integrated speakers.
